

MERF enables committed Christians from the Middle East and Muslim lands to share the gospel with hundreds of thousands in their mother tongue daily over the radio and the internet.

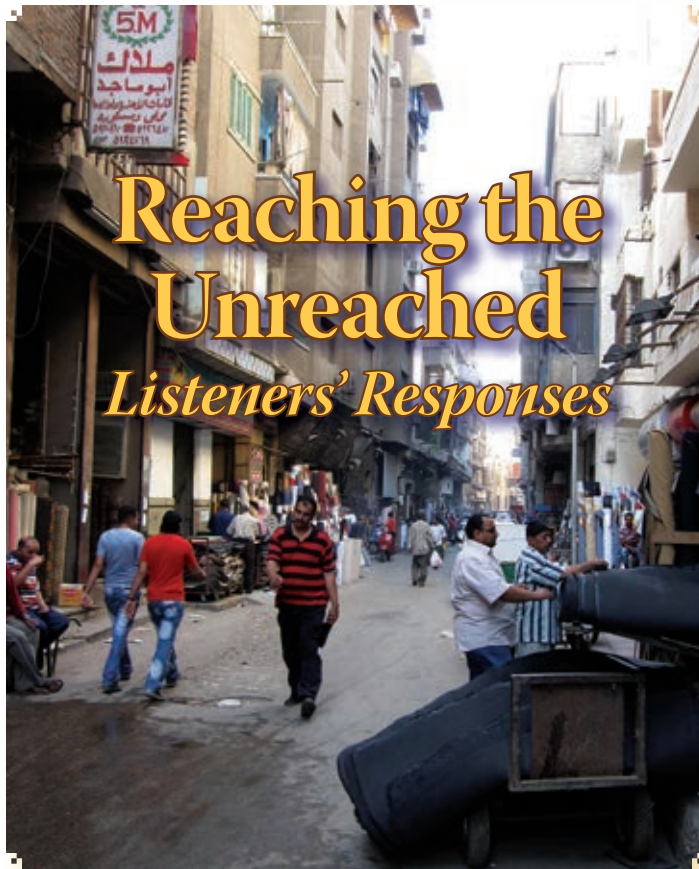

Every day Christ’s saving grace is proclaimed in 13 different languages—Arabic (22 countries), Farsi (Iran & neighbors), Urdu (Pakistan), 3 Ethiopian languages (including Somali), 2 South Sudanese languages and 5 Indonesian languages. Hundreds of inquirers, new believers, and Christians growing in faith respond by post, telephone, email, or text messages. They are prayerfully nurtured with individual follow-up care.

One Arabic producer says: “Thanks a lot for your encouragement & prayers!! We pray for every listener and every website visitor, for those who send SMS or emails or interact with us through private chat.... We pray for the Lord to open their hearts and reveal the Truth to them.... and we pray for the Lord to grant us wisdom from above and strength to keep working in His field!”

Indonesian languages

Sundanese (U. Sahudin, 23 yrs.): "I'm really blessed by God because of listening to this radio program.... I believed in Jesus Christ as my Savior since I was in the

Christian Primary School. Because I'm Sundanese it is very difficult for us to be Christian. That's why my father and mother got angry with me, because I always went to Sunday School. Thanks to God, my sister also became a Christian. Although my parents are still Muslim, they allow us to go to the Church. I pray for them and hope someday they will open their heart for Jesus. Every day I turn on my radio and tune in to the Christian radio program. I'm glad that my parents are also listening to those programs."

Javanese (Mrs. Lidia, 82 yrs.): "Thank you for the radio program, which comforts and strengthens me

day by day. I'm ready to go to my Father's home any time He calls me back."

Teaching from the Bible has guided my spiritual life to become more mature and also helped me become a good role model for my family and my neighbors."

Bugis (A. Vera, 36 yrs.): "Many of my neighbors have profession as small traders in the market, they are Muslims, but often ask

me about this broadcast. They like to listen to the teachings that comfort and strengthen their hearts."

Makassarese (Bakhtiar, 40 yrs.): "I really like the Makassarese language program and songs that are played. Bible teaching has also greatly blessed me. Although I cannot hear it every day because of the place where I live in mountainous areas, the radio program is truly a blessing."
